

## Code of Practice

Education (Pastoral care of Tertiary and International Learners Code of Practice 2021)

NZ Equine Education Trust is a signatory to the Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021 which sets out the minimum standards of advice and care that international students can expect. The Code also provides a procedure for students to follow if there are any concerns about the treatment received from NZ Equine Education Trust.

The New Zealand Qualifications Authority (NZQA) website provides more information about the Code- [Tertiary and International Learners Code of Practice » NZQA](#)

A copy of the Code is available from NZ Equine Education Executive Officer

**The racing industry's true strength is its people.**

Welcome to OnTrack. We are a charity established to support everyone working and volunteering in our racing community. Together we are working to improve mental health and prevent suicide.

Let's redefine what it means to be in racing by making the wellbeing of our people at the centre of what we do.

Together, we can drive real change.
